Unit 2, 5 Bombala Cres, Rainbow Beach

Great Return on Investment Here

If you have been looking to get into the Rainbow Beach market, look no further.

This lowset unit is very well presented and features air conditioning, ceiling fans, large kitchen, open plan living and a separate laundry. The property also has solar panels on the roof (saving you money on electricity bills), a single carport, plus a good-sized back yard and garden shed.

Don't miss this excellent opportunity to purchase a neat and tidy unit in a great location. Part of a duplex with its own fully fenced back yard, this is an affordable option if you are looking to get into the market.

There is also an option to purchase the unit next door, separate titles with individually metered power and water. If both units are purchased together, the vendor is prepared to discount the sale price.

Unit currently rented out permanently at \$280 per week with a great tenant in place.
