DARE TO BE DIFFERENT

If you are looking for quiet, private and a little different - we found it. A short drive through the tranquil gardens we find the jewel in the crown and you can't help but feel the stress of the world was left at the gate.

Polished floors throughout and its high cathedral ceilings keep the property cool on those hot summer days. The large open plan living area opens onto a back deck and a front deck ideal for entertaining or just relaxing after a long day. There are two bedrooms, large bathroom and good size kitchen.

The 2004m2 block backs onto the forestry giving the feeling that you have more acres without the upkeep. Its location is perfect with low traffic, low noise, low stress, so why not dare to be different?
